The Holy Heart of Mary Alumnae Choir was formed in 1999 to celebrate the 40th anniversary of the founding of the prestigious Holy Heart of Mary Regional High School.

Under the direction of its founder, Dr. Valerie Long, the choir has doubled its membership over the past five years. Their repertoire has grown significantly to include various musical styles including sacred, traditional Newfoundland, Irish, gospel and jazz. Apart from renewing old friendships their objective is to sing for the love of singing and to have lots of fun doing it.

The choir has performed on CBC Radio, on the stage of the Arts and Culture Centre and at numerous places in and around St. John's. They recently performed in Carbonear and Brigus and plans are well under way for the choir to travel to Ireland in 2005.

The alumnae choir is very excited and pleased to once again bring you their Spring Concert.

So sit back, relax, sing along and enjoy the show!

# Holy Heart of Mary Alumnae Choir

The Holy Heart of Mary Alumnae Choir is comprised of former students of Holy Heart of Mary Regional High School who have an interest in choral singing. In the spring of 1999, we answered a call for former choristers to come together and celebrate the 40th anniversary of the school. That was the genesis of today's choir which has since performed in many community fund-raising events.

We meet once every two weeks to learn and perform a variety of musical styles. Our repertoire ranges from sacred to vocal jazz, show tunes, folk and even a few Newfoundland scores arranged by our director, Dr. Valerie Long. Valerie shares her expertise, energy and love of music at every rehearsal and performance. Nora Kearsey, also an alumna, is our accompanist who adds her own special enthusiasm and talent to our music.

## Valerie Long

Valerie Long is the founder and director of both Les Ms. and the Holy Heart of Mary Alumnae Choir. She considers it a privilege to work with such talented and committed individuals in both of these ensembles. Over the past twenty-five years, Valerie has directed numerous choirs of diverse backgrounds and combination of voices. Valerie holds a Bachelor of Music and a Bachelor of Music Education from Memorial University of Newfoundland, a Masters of Music in Choral Music Education and a Ph.D. in Curriculum and Instruction from the University of Wisconsin-Madison.

Her broad teaching experience includes instruction in classroom, choral and instrumental music from Kindergarten through high school and university. Valerie is quite active as an adjudicator, clinician and performer in areas such as classroom music education, choral conducting and arranging, vocal jazz, keyboard harmony and musical theatre.

Valerie will be a clinician for the upcoming international choral festival - Festival 500. She will be offering a workshop titled, "So You Always Wanted to Sing". In four sessions, she will foster the love of singing in others through her unique and educational approach to the sing-a-long. ## Holy Heart of Mary Alumnae Choir

In May'99, our voices were reunited for a Holy Heart of Mary 40th Anniversary celebration. Following this event, we performed as "guest" singers at charity events in the community.

There was a consensus that we could offer enjoyment to others, as an "alumnae" choir. Dr. Valerie Long, who directed the choir during the celebration, was very positive about this idea and assured us that she wanted to be part of it.

A committee was organized and plans made... Our name, 'Holy Heart of Mary Alumnae' was sanctioned by the school and our first practice occurred September 20th 1999. We now practice every other Monday night at the Holy Heart of Mary choral room.

We decided not to be a competitive choir but did want to perform and we had four performances in our first year.

*Cor Unum Inter Nos*

What was once imagined has become reality...

Our thanks to Clar for his vision, to Andrea and Valerie for giving it the melody and lyrics, and to all those involved for making the whole greater than the sum of its parts. You have shown us in a most wonderful way that there truly is "One Heart Among Us".
